

Trade Talk Tuesday

Logistics Trends & Strategies for Mitigating Risk

Join the U.S. Commercial Service, along with the West and East Michigan District Export Councils (DECs), for a **20-minute** discussion on international logistics, including:

- Issues and challenges U.S. exporters are facing with their international logistics.
- Strategies for mitigating logistics risks.
- Outlook and forecast for international logistics over the next year and beyond.
- Resources for managing international sales and outbound logistics during these uncertain times.
