Two-Day International Conference on Transcending Boundaries in Management Education

Organized by
Xavier Institute of Management & Entrepreneurship

7th & 8th March,
2025

About the conference

The international conference, Transcending Boundaries in Management Education, will serve as a platform for thought leaders, academicians, and industry professionals to converge and discuss the latest trends, challenges, and opportunities in management education. The event will focus on fostering global perspectives, quality systems, cross-cultural learning, sustainability, and innovative pedagogical methods to bridge the gap between theory and practice in management education.

This conference will feature esteemed international speakers and panellists who will participate in panel discussions and engage in thought-provoking discourse.

About XIME

XIME was established in 1991 by a group of distinguished academicians under the leadership of Prof. J. Philip, former Director of IIM, Bangalore. XIME Bangalore is located in the heart of Electronics City, in Bangalore, the Silicon Valley of India, with IT icons such as Hewlett Packard, Infosys, TCS, and Wipro as its neighbors. The campus vibrates with myriad activities such as conventions, conferences, student competitions, short-term industry-relevant programs and cultural events, and excellent co-curricular activities. XIME is today a global brand and hosts regular international events in collaboration with fourteen partner institutions from around the globe, including strong student exchange programs, faculty exchange programs, and international study tours for its students

About Adelaide Business School
