

The Institute of Management & Strategy at the University of St.Gallen |
Chair of Professor Ambos seeks to hire a

Research and Teaching Associate in Strategic Management (100%)

Our offering:

- Ability to pursue a doctorate in business administration while working at the chair
- Challenging research according to international standards in strategic management (especially focusing on Global and Corporate Strategy, including topics like international market expansion, cross-border operations and management, and organizational resilience)
- Writing of scientific publications and participation in international conferences
- Support in teaching at Bachelor, Master, and PhD level (assistance in courses; supervision of Bachelor/Master theses)
- Collaboration in company cooperations and research consortia

Requirement:

- Completed university studies with honors in management or a related field
- Interest in scientific working methods; if possible, first experience (e.g. in a master thesis)
- Knowledge of statistics (focus: quantitative research methods)
- Very good knowledge of German and English (Level C1 or higher), oral and written

Application:

Before you submit your application, please ensure that your degree matches the formal requirements to enroll in a PhD program at the University of St.Gallen:

<https://www.unisg.ch/en/studying/admission/admission-phd/>

We are looking forward to your online application:

[HSG: Research and Teaching Associate in Strategic Management \(m/f/o\)](#)

We will review applications until January 6st, 2025. Please indicate the earliest date you could start working.

You can find more information about us and our institute on our website: <https://ifb.unisg.ch/en/>
