

# Midwest Economic Theory and International Trade Conference

**October 8-10, 2021**

## Call for Papers

The Fall 2021 Midwest Economic Theory and International Trade Meetings will be held October 8-10 at Michigan State University in East Lansing, Michigan. The meeting will be in person and there is no submission fee and no registration fee. We thank [MSU-CIBER](#) for supporting this conference.

At the present time, MSU requires all individuals to wear masks indoors in all campus buildings and other MSU facilities in East Lansing and throughout the state. This requirement will be in place for at least the first weeks of the fall semester. All students, faculty, and staff are also required to be vaccinated, though this requirement does not (at present) extend to campus visitors. Given the fluidity of the health situation due to Covid-19 please understand that the meeting could be cancelled at any time, but we are optimistic that the meeting will take place.

The conference website is: <http://econ.msu.edu/mwttc/index.php>.

Submissions are set up via Conference Maker. Following standard procedure, the Economic Theory and International Trade meetings are treated separately.

For submissions to the Economic Theory meetings, please use the following link: <https://editorialexpress.com/conference/MWET2021f>.

For submissions to the International Trade meetings, please use the following link: <https://editorialexpress.com/conference/MWIT2021f>.

**The deadline for submission is August 25 at 11:59 PM Eastern Time. We plan to post a preliminary program by September 8.**

Paper submissions for the International Trade meetings will be evaluated by a scientific committee coordinated by Ray Riezman ([raymond-riezman@uiowa.edu](mailto:raymond-riezman@uiowa.edu)). Paper submissions for the Economic Theory meetings will be evaluated by a committee coordinated by Arijit Mukherjee ([arijit@msu.edu](mailto:arijit@msu.edu)).

It is acceptable to make submissions to both conferences, but if you do submit to both, please notify both Ray Riezman and Arijit Mukherjee by e-mail so that we can avoid conflicts.

We look forward to seeing you in East Lansing.
