

DEVELOPING A GLOBAL MINDSET AT COMMUNITY COLLEGES

TOPIC: HOW TO DESIGN YOUR EDUCATION ABROAD PROGRAM

A half-day, virtual workshop by the Michigan State University Center for International Business Education and Research (CIBER)

Are you looking to offer an education abroad program? This webinar will provide you with the knowledge, experience, and resources you need to design an education abroad program at the two-year college level. The workshop is specifically targeted towards educators and will focus on all aspects of education abroad and international internships.
